

# What You Need to Know About COVID-19

COVID-19 (nCoV19) is a respiratory infection caused by a virus. It includes symptoms like fever, cough, and shortness of breath. Here are three tips:

## ① Keep it clean

Clean your hands with soap and water for 20 seconds after touching surfaces in public areas, and especially if you are around someone who isn't feeling well. Also, clean and disinfect frequently touched objects.

## ② Avoid contact with sick people

Avoid close contact with people who are sick and avoid traveling to locations where there are outbreaks of COVID-19. And if you get sick, stay home to avoid spreading the virus to others.

## ③ Contact HealthiestYou

There is currently no vaccine for COVID-19, but if you have symptoms of the virus, contact HealthiestYou and our doctors can evaluate your risk and help with next steps when necessary.

# **COVID-19 General Information**

## **What is coronavirus?**

COVID-19 is a respiratory infection. It is caused by an RNA virus called nCoV19 that is part of the SARS lineage of coronaviruses.

## **What are the symptoms?**

The most common symptoms of COVID-19 are: fever, cough, and shortness of breath. Those who develop serious illness are often found to have pneumonia.

## **Who is most at risk?**

Most cases of COVID-19 worldwide have been mild and >80% of infected individuals have been able to fully recover at home. However, some people are at higher risk of getting very sick from this illness and should take additional precautions. Those people include:

- People over the age of 60, particularly those over the age of 80;
- People who have chronic medical conditions like heart disease, diabetes, chronic lung disease, chronic renal disease, cancer and obesity; and
- People who have a suppressed immune system from medications or those that have a compromised immune system.

Early indication is that the cause of death in individuals with COVID-19 is sepsis, ARDS and/or cardiac arrest. Please refer to [www.coronavirus.gov](http://www.coronavirus.gov).

**What should I do if I have symptoms?**

If someone thinks they have been exposed to COVID-19 and develops symptoms such as fever, cough and/or difficulty breathing, they should first CALL a health care professional for medical advice. Please refer to [www.coronavirus.gov](http://www.coronavirus.gov).

**Is it true that people can infect others before they themselves show any symptoms?**

Yes. It is believed a person can be contagious several days before symptoms appear and up to 14 days after symptoms have ended. Please refer to [www.coronavirus.gov](http://www.coronavirus.gov).

# COVID-19 Claims FAQ

## Will the vaccines be covered?

Once FDA-authorized COVID-19 vaccines are publicly available, you will be able to get the vaccine at \$0 cost-share, no matter where you get the vaccine and including when two doses are required, at both in- and out-of-network providers through the national public health emergency period\*. The cost of COVID-19 FDA-authorized vaccine serums will initially be paid for by the government. Administration fees for in-network providers will be based on contracted rates. Administration fees for out-of-network providers will be based on published rates.

\*Does not apply to short-term limited duration health plans

## What services are available to me if I think I might be sick or need to talk to someone?

Members who feel like they may have been exposed to COVID-19 are being advised to immediately call their provider. To find a network provider they can log into their My Account or use the mobile app.

\*UnitedHealthcare Insurance Company insureds have access at no charge, when included with their medical plan, or at \$40 for all other students. To find out if your plan includes this benefit or any other benefits, access your My Account and select My Benefits, then Additional Benefits.

If you need to talk to someone but aren't sick, insureds have access to Student Assistance Program to assist telephonically including 24/7 counseling, health risks assessments, health/fitness calculators and other helpful resources. The phone number is available on your mobile app or in your My Account.

### **Additional Support Line**

Optum is opening its **Emotional-Support Help Line**, providing access to specially trained mental health specialists to support people who may be experiencing anxiety or stress following the recent developments around COVID-19. Optum's toll-free help line number, 866-342-6892, will be open 24 hours a day, seven days a week, for as long as necessary. The service is free of charge and open to anyone.

### **Will testing and physician visits be covered for COVID-19?**

Yes, we will be waiving cost sharing for COVID-19 diagnostic testing (virus/antigen) through April 20, 2021. Tests must be ordered by a physician or appropriately licensed healthcare professional for purposes of diagnosis or treatment of an individual member. We're also waiving cost sharing for COVID-19 testing related visits during this same period. This coverage applies to in-network and out-of-network tests and physician visits.

### **Will treatment be covered for COVID-19?**

Yes, you will have \$0 cost-share (copay, coinsurance and deductible) for network visits, for COVID-19 treatment through January 31, 2020. Out-of-network cost-share waivers ended on October 22, 2020. As of October 23, 2020, cost sharing does apply.

### **Will cost sharing be waived for Telehealth visits?**

All policies that have access to HealthiestYou telehealth will continue to provide virtual visits at no costs throughout the policy year. For other visits see below:

- For COVID-19 in-network-only telehealth services: the cost share waiver will extend through April 20, 2021.
- For COVID-19 out-of-network telehealth services: the cost share waiver will extend through April 20, 2021.
- For non-COVID-19 in-network-only telehealth services: cost share was waived through September 30, 2020. As of October 1, 2020, cost sharing does apply.
- For non-COVID-19 out-of-network telehealth services: cost sharing according to policy benefits does apply.

### **Can students obtain early refills on prescriptions?**

Eligible UnitedHealthcare Insurance Company and OptumRx members who need an early prescription refill to ensure they have sufficient medication on hand may request one through their current pharmacy. Consider your current supply, as well as near-term medication needs to determine if you should refill early.

### **What about services performed outside of the US, will it be covered?**

Yes, the claim will be subject to policy provisions and limitations. Any policy with an exclusion for services in their home country, the exclusion will be waived for the remainder of the 19-20 policy year and through the 20-21 policy year. If the policy includes HealthiestYou, our telehealth product, it will now allow free visits outside of the U.S. Contact the Customer Services number on your ID Card for more information.
